SUBJECT:

[DOCKET NO. 2015-191-C](#) - Petition of Windstream South Carolina, LLC Requesting the Commission's Intervention in Numbering Resources Determinations in the Inman, Landrum, and St. Matthews Rate Centers - Staff Presents for Commission Consideration Windstream South Carolina, LLC's Request for the Commission's Intervention in Numbering Resources Determinations in the Inman, Landrum, and St. Matthews Rate Centers.

COMMISSION ACTION:

Grant the request of Windstream South Carolina, LLC for expedited review and waiver of the Pooling Administrator's (PA) denial for additional numbering resources for the Inman, Landrum, and St. Matthews rate centers. In order for Windstream to implement the FCC's Connect America Fund Phase I the Company must obtain a Locational Routing Number (LRN) for new packet switches. Only an NXX code holder can obtain an LRN. Thus, the Company requested from the PA an NXX code for the Inman, Landrum, and St. Matthews rate centers. I move that the Commission reverse the PA's denial of numbering resources for Windstream and direct the PA to issue Thousands Blocks in the Inman, Landrum, and St. Matthews rate centers.
